

Enzon Stockholders Approve Company Proposals at 2008 Annual Meeting

BRIDGEWATER, N.J., May 22, 2008 (BUSINESS WIRE) -- Enzon Pharmaceuticals, Inc. (Nasdaq: ENZN) held its annual meeting of stockholders today in Indianapolis, IN. At the meeting, the Company's stockholders voted to approve several key issues proposed by Enzon, including:

- Re-electing Rolf A. Classon, Robert LeBuhn and Robert C. Salisbury as Class III directors to serve for a term of three years until the 2011 Annual Meeting and until their successors are elected and qualified; and
- Ratifying the selection of KPMG LLP, the Company's independent registered public accounting firm, to audit the consolidated financial statements of the Company for the year ending December 31, 2008.

Victor P. Micati, Enzon lead independent director, provided a brief overview of the Company's significant accomplishments over the last few years. These accomplishments include completely refinancing the company, building an innovative pipeline, stabilizing the product revenues, and hiring and retaining top talent. Mr. Micati commended Jeffrey Buchalter, Enzon's Chief Executive Officer, and his management team for spearheading these accomplishments.

About Enzon

Enzon Pharmaceuticals, Inc. is a biopharmaceutical company dedicated to the development, manufacturing, commercialization of important medicines for patients with cancer and other life-threatening conditions. Enzon has a portfolio of four marketed products, Oncaspar(R), DepoCyt(R), Abelcet(R) and Adagen(R). The Company's drug development programs utilize several cutting-edge approaches, including its industry-leading PEGylation technology platform used to create product candidates with benefits such as reduced dosing frequency and less toxicity. Enzon's PEGylation technology was used to develop two of its products, Oncaspar and Adagen, and has created a royalty revenue stream from licensing partnerships for other products developed using the technology. Enzon also engages in contract manufacturing for several pharmaceutical companies to broaden the Company's revenue base.
